

THE ECONOMICAL ALL-IN ONE PRINTING ADVANTAGE FOR HOME

The EcoTank L3210 is the ideal solution for printing at home with prints at just 9 Paise (black)* and 33 Paise (colour).* One can expect a high print yield of up to 4,500 pages colour - for non-stop printing. It can also print borderless photos in sizes up to 4R. Its compact design means a low footprint, and thus savings in space. And designated nozzles ensure spill-free and error-free refilling. The all-in-one capability enables printing, scanning and copying files effortlessly. Powered by Epson's Heat-Free Technology, it consumes less power and can even run on a UPS.

Magenta Ink Bottle		C13T00V398
Yellow Ink Bottle		C13T00V498
Warranty	1 year or 30,000 pages whichever comes first	

EPSON

Dimensions & Weight

EcoTank L3210

Weight: 3.9 kg

*1 Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode, 10 x 15 cm photo print speed when printed on Epson Premium Glossy Photo Paper. Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer.

*2 When printed on Epson Premium Glossy Photo Paper.

*3 Borderless printing is supported up to 4R (4 x 6"), otherwise 3 mm top, left, right, bottom.

*4 Default mode in accordance with ISO7779 for MFPs.

*5 Quoted yields are based on the ISO 24711/24712 patterns of mixed text and colour graphics with Epson methodology. Quoted yields are based on the replacement ink bottles purchased. For print quality, part of the ink from the included bottles is used for printer startup so yields could be lower than those of replacement ink bottles. Actual yields will vary due to reasons including images printed, print settings, temperature and humidity. Yields may be lower when printing infrequently or predominantly with one ink colour. Ink is used for both printing and printhead maintenance. All inks are used for both black and colour printing.
